Dear Shannon:

I am pleased to congratulate you and Young Voices Toronto on the receipt of \$12,861 in funding through the Choral Organizations program from the Ontario Arts Council towards the organization's operations.

As the MPP for the riding of Parkdale-High Park, I am always pleased to hear of the contributions local artists are making in our community and far beyond.

We are fortunate to have an organization in Parkdale-High Park such as Young Voices Toronto that engages children and youth in the arts. It is through your hard work that young people have the opportunity to experience a quality music education, and perform locally and abroad while developing a tremendous sense of pride for their achievements and cultural diversity and heritage.

Congratulations once again on receiving this well-deserved funding. I look forward to hearing of your future activities and successes.

Sincerely,

Cheri DiNovo, MPP  
Parkdale-High Park
