What are we fundraising for?

NEW Wenger Choir Chairs!

The Wenger "Nota Premier Chair" (pictured left) is an enhanced posture chair, designed specifically for musicians. It has the following features:

- Narrow, convex back provides lumbar support while allowing freedom of movement
- Waterfall style seat allows for better circulation and comfort for all body types and sizes

This unique chair design prevents fatigue while sitting for extended periods of time.

What's our fundraising goal?

The total cost for 45 Wenger chairs and 4 stacking carts is \$18,792.91 CAD! These chairs are expensive but a worthy investment in our choristers.

Our goal is to raise 10% of the cost of the Wenger chairs (approximately \$1,880) this holiday season.

YVT is continually looking for sponsorship opportunities with local businesses and corporations, as well as grants, to contribute to the cost of purchasing the Wenger chairs. If you have any leads (e.g. the company you work for), please contact Shannon Charnock, General Manager, at 416-762-0657 or manager@youngvoicestoronto.com
